	Dear Admiral Hiller	nkoetter:			
	Just a note to thank you very much for your very great				
	kindness in writing to Admiral Barbey and Captain Neale. Please				
	forgive me for not thanking you long before this, but, some how				
	or other, your letter got into my answered instead of my unanswered				
	file.				
	I wish you	were coming on the	cruise with us. Perhaps, one		
	of these days when you have retired we can make it, but I am afraid				
	that I will be so bent by then that the only cruise I will be able t				
	make will be in the deck chair of an ocean liner.				
	Thank you as	gain.			
	With kindest	t regards,			
	ML:ha		Very sincerely, STAT
